

## Ross Eliminator Multi Purpose Microbial Degreaser / Cleaner Concentrate

The Environmentally Friendly Way To  
Clean & Treat Oils, Grease, Fats and  
Petroleum Based Products.

- **NON-HAZARDOUS**
- **NON-TOXIC**
- **NON-FLAMMABLE**
- **NON-CAUSTIC**
- **BIO-DEGRADABLE**
- **BIO-REMEDIAL**
- **WATER-BASED-SOLUTION**

### **MICROBIAL-DEGREASER**

**Eliminator Degreaser** is not a soap, detergent or petroleum solvent. **Eliminator Degreaser** is an industrial strength concentrate, formulated to remove all common soils, grease, oil, dirt, wax, dye, inks, carbon, smoke and exhaust stains.

**Eliminator Degreaser** will clean metal, plastic, rubber, porcelain, tarmac, concrete and wooden surfaces through a biodegradable proprietary formula safely, effectively and economically.

**Eliminator Degreaser** is safe to store in a normal way and is user friendly.

**Eliminator Degreaser** may be used in pressure washers, soak tanks, dip tanks, steam cleaners, ultrasonic tanks, or applied by spray, cloth or mop.

**Eliminator Degreaser** will assist in converting oils, greases, and fat removed during the cleaning process to safer Carbon dioxide and water effluent. This earth friendly, bio-compatible cleaner is ideal for many application. Please view application / dilution ratios.

**Eliminator Degreaser** is an amazing product that will not only reduce your carbon footprint, but also meets all the standards that are considered to be an environmentally conscious cleaner.

Include **Eliminator Degreaser** as an integral part of you environmental policy ISO 14001 and you can be assured of not only meeting your obligations but exceeding them.

## Features/Benefits of Ross Eliminator Multi Purpose Microbial Degreaser / Cleaner

- Liquid Concentrate
- Readily Biodegradable
- pH 9-10 in concentrated form
- Rinses film-free, leaves no residue (Slip-free)
- Non-streaking
- Contains no Phosphates, Nitrates, Sulphates, Sulfonates, Caustics, Terpenes, Chlorinated Solvents or Petroleum by-products
- Typical “rainbow” effect (fuel on water) spillages on tarmac, concrete are instantaneously eliminated with the degreaser breaking down associated elasticity.
- Ability to biodegrade (consume) Fats, Oils, Greases and Petroleum Based Products.
- Will enhance natural bacteria found in waste water treatment systems, sewer systems, septic tanks, grease traps, drain lines and clarifiers.
- Compatible with Oil/Water separators.
- May be used as a scale deposit inhibitor in heating and cooling system.
- Eliminates odours safely without masking them with harmful perfumes.

**Available in the following sizes: 25, 205 and 1000 litres**

**Packed in the various sizes:**

25Litre Plastic Stackable Jerry Can Blue UN 61mm—Tamper Evident Neck With Visi-strip and carry handle. Weight—25Kg.

205Litre Plastic Blue Tight head Drum UN Approved Single L Ring. Weight –205Kg

1000Litre IBC Container—High density polyethylene blow moulded container surrounded by a heavy duty galvanized steel cage. Weight 1000Kg.

# Bio Technology

Ross Eliminator Multi Purpose Microbial Degreaser / Cleaner Concentrate will inhibit rusting and corrosion of metal parts as long as a slight film of product remains on the metal surface. If part is rinsed off with water, the exposed metal will be subject to rusting as usual. To inhibit this occurrence, a light oil film (WD-40 or similar product) may be applied to the metal surface, or the part may be dried with compressed air. The same effect may be applicable to be exposed sections of metal parts washers (will not effect stainless steel). On metal parts washers, it is recommended to paint exposed surfaces or include a rust inhibitor in parts washer solution. Contact [Ross Environmental Products Ltd](#) with any questions.

**Industrial Applications**

Pressure Washer	1 : 10 to 1 : 20
Heavy Grease	1 : 3
Medium Grease	1 : 10
Light Grease	1 : 15 to 1 : 20
Parts Washer (XXX)	1 : 3 to 1 : 8
Mop Bucket	1 : 5 to 1 : 10

**Oil Spill Applications**

Rail Track Ballast	1 : 5 to 1 : 40
Restricted Water	1 : 5 to 1 : 40
Tarmac	1 : 5 to 1 : 40
Concrete	1 : 5 to 1 : 40
Soil	1 : 5 to 1 : 40

**Maritime Applications**

Decks and Bulkheads	1 : 40
Rigging, Upholstery Tanks	1 : 20
Toilets and Holding Tanks	1 : 20
Engines	1 : 3 to 1 : 5
Bilge's	1 : 7 to 1 : 50

**Commercial Applications**

Wall and Woodwork	1 : 40 to 1 : 80
Carpets (spotting)	1 : 20
Carpets (extractors)	1 : 50 to 1 : 00
Bathroom Floor, Tiles, Sinks	1 : 20
Fabrics	1 : 1
Laundry (with detergent)	1 : 100
Furniture	1 : 80
Appliances	1 : 10 to 1 : 100
Hotel Parking Lots	1 : 1 to 1 : 5
Building and Refuse Shoots	1 : 10 to 1 : 20

**Eliminator to Water Household Applications**

Wall and Woodwork	1 : 40 to 1 : 80
Carpets (spotting)	1 : 20
Carpets (extractors)	1 : 50 to 1 : 00
Bathroom Floor, Tiles, Sinks	1 : 20
Fabrics	1 : 1
Laundry (with detergent)	1 : 100
Furniture	1 : 80
Appliances	1 : 10 to 1 : 100
Ovens and Deep Fryers	1 : 1 to 1 : 5
Drains and Sewers	1 : 10 to 1 : 20
Wallpaper Removal	1 : 15
Driveways	1 : 1 to 1 : 5

**Eliminator to Water****Restaurant Applications**

Walls, Ceilings, Grease Tanks	1 : 20 to 1 : 40
Air Filters, Hoods, Floors	1 : 20 to 1 : 40
Washable Acoustical Tiles	1 : 80
Ovens and Deep Fryers	1 : 1 to 1 : 5
Windows, Glassware, Decor	1 : 100 to 1 : 300
Drains and Sewers	1 : 10 to 1 : 20
Mop Bucket	1 : 20 to 1 : 40

**Aircraft Applications**

Upholstered Seats	1 : 80
Plastic, Formica, Acrylic Surfaces	1 : 40
Wooden Surfaces	1 : 40
Carpets	1 : 20 to 1 : 80
Instrument Panels	1 : 40
Earphones	1 : 40
Lavatories	1 : 20
Gallery and Kitchen	See Restaurant

**Vehicle Applications**

Engines, Wheels, Under-carriage	1 : 3 to 1 : 5
Interiors, Exteriors	1 : 20 to 1 : 50
